### **From The Venerable Master**

My Brethren, I hope this finds you and your families doing well and staying safe!

I would like to thank those Brothers who have been calling our Brothers and Sisters checking on them to see how they are doing and if they need anything. Please keep our Brothers and Sisters in your thoughts and prayers, especially during this epidemic. Hopefully we will be able to gather together before too much longer, but the main thing for now is to please be safe and stay well!

I hope you and your family have a safe, healthy and blessed Memorial Day Weekend! May god bless you and yours.

**Dale C. Senger, 32°**

### **From The Personal Representative to the S.G.I.G**

This C-Virus situation has led me to make the following decisions based on my present breathing condition:

I have not been enjoying my usual things like family gatherings, church, lodge, etc. until I feel confident that this epidemic is well under control. I have very little confidence that what I am reading and hearing has any real strong guidance in what's happening or what will happen. I do wear a face mask, gloves, observe social distancing and I am on oxygen. I feel these things are basic and is the very least that I can do for myself and others. I strongly encourage you to do the same.

My physical breathing condition is a serious one and my doctors focus is on it not getting worse. I am breathing on 75% of my lung capacity. The other 25% is gone and will not come back. I will simply have to evaluate my condition and act accordingly.

Please do everything you can to keep safe and healthy and my God bless you in all you do.

**Fraternal Best, Ill. Lonnie L. Godfrey 33° I.G.H.**
